

Barrow County Family Connection Collaborative Member Agreement

Barrow County Family Connection, Inc. was established as a partnership of community citizens, agencies and businesses. These community citizens, agencies, and businesses consist of the local government, schools, social service providers, consumers, businesses, the faith community, civic organizations, parents and children.

MISSION STATEMENT

Our mission is to improve the quality of life for all people in Barrow County through community collaboration to strengthen families and promote education.

- ❖ The desired results are ensuring all children are healthy, ready to start and perform better in school, have stable, economically self-sufficient families, and live in strong communities. The work of the collaborative is based on a framework of accountability. We believe that collaboration strengthens each partner's work, whether that work occurs within an organization, a neighborhood, or an individual family.
- ❖ The fulfillment of this mission shall adhere to the following principles: It shall be community based, family focused, accountable for results, based on collaboration, work toward prevention and early intervention, and shall recognize, joint and shared planning with our community and the state with an emphasis on local decision making.

VISION STATEMENT

We envision a community that is positive, caring, clean, safe, and involved. We envision a community of people from all walks of life engaged in working together to foster a healthy environment in which to live, work, and play.

CURRENT GOALS and strategies: FY 2016-FY 2017

Residents of Barrow County will be healthy, educated, free of violence and abuse, rich in compassion and live in an environment that promotes their well-being and self-sufficiency.

- Provide a safe environment for children through education and training, through the provision of accessible intervention and prevention programs and development of additional supportive services for children.
- Educate service providers and the community at large the availability of programs and services for families, and the importance of a coordinated community.
- Prevent duplication of services.
- Provide students and their parent/guardians with an array of asset building opportunities and supports to ensure educational success and increase parent/ guardian involvement in their child(ren)'s personal development.
